

Christian Luttazi (EU Resident)

SCALA Software Developer & Big Data Engineer

Linkedin: <https://www.linkedin.com/in/chrisluttazi/>

Website: <http://chrisluttazi.com>

Current Location: Porto

Software Developer with focus in Data Science & Scala. I have been working in the IT business since 2007 and as a Developer since 2011. I have passion for technology projects written in SCALA and specially those using SPARK.

In all my projects I worked with a SCRUM / Agile methodology.
